RE: **2023 Family Scholarship Program**
Walter and May Reuther UAW Family Education Center
Onaway, Michigan
July 23 - 28, 2023

Registration Deadline – July 3, 2023

Greetings:

The UAW Education Department will hold its 2023 Family Scholarship Program at the Walter and May Reuther UAW Family Education Center on July 23 - 28, 2023. As you know, the Family Scholarship Program is a special opportunity for members and their families to immerse themselves in our union's history, goals and values. This week-long family program is filled with fun, solidarity, education and relaxation. Delegates of all ages learn the same concepts simultaneously, at an age-appropriate level, which allows families to further bond with one another through discussion of the topics and connect with their local union's goals and initiatives. It has often been called a "life changing" week, and it has helped produce many activists.

The application for the 2023 Family Scholarship Program is enclosed. Members in good standing for one year who have never attended the Walter and May Reuther UAW Family Education Center Family Scholarship Program are eligible to apply. Past participants in the Family Scholarship Program are not eligible to re-apply. The program is designed to accommodate the UAW member, their spouse and their dependent children (**ages 4 to 18**). The entire family must participate in all scheduled workshops and programs.

Members who are selected to attend will be responsible for their travel expenses to and from the UAW Family Education Center and must be willing to use their regular vacation, personal leave time, or union leave (where contract applies).
