Re: **UAW Region 1 Director's Scholarship**

Greetings:

UAW Region 1 is pleased to announce that scholarships are available to those students who are children or grandchildren of UAW Region 1 local union members and are graduating from high school this year or are current college students. The scholarships will be awarded through the UAW Region 1 Director's Scholarship Fund, administered by the Community Caring Program. The number of scholarships awarded, and the stipend amount varies from year to year depending on scholarship program fund levels. The eligibility requirements and application form for the UAW Region 1 Director's Scholarship are available on the UAW Region 1 website under the tab "Education." You may download the application form and rules and instructions for your members by going to <https://region1.uaw.org/education/2025-directors-scholarship>. (A copy of each form is enclosed.)

This scholarship program is open to all students who have reached a high level of scholastic achievement and are interested in continuing their education. We encourage all UAW Region 1 members and retirees who have children or grandchildren (who are still dependents and are entering college this fall or are already in college) to urge the students to apply for these scholarships.

**Please post this letter or some other announcement to let your members know that the scholarship application packet is available at <https://region1.uaw.org/education/2025-directors-scholarship>.**

**APPLICATIONS MUST ARRIVE AT: UAW REGION 1, DIRECTOR'S SCHOLARSHIP  
27800 GEORGE MERRELLI DRIVE, WARREN, MI 48092  
NO LATER THAN THURSDAY, APRIL 17, 2025, TO BE ELIGIBLE FOR CONSIDERATION.  
(NO EXCEPTIONS)**

In solidarity,

Lashawn English, Director  
UAW Region 1
