Re: **UAW Region 1 Women's Council – Breast Cancer Awareness
T-Shirt Design Contest**

Greetings:

In preparation of this year's upcoming Breast Cancer Awareness Month, which is designated for the month of October, the Region 1 Women's Advisory Council is sponsoring a breast cancer awareness t-shirt design contest. The council is asking members of UAW Region 1 to submit a unisex design that would resonate with all races and ethnicities.

All submissions must be received by March 30, 2025. The creator and their winning design will be showcased on the UAW Region 1 page and will also receive a free t-shirt with their design on it. As an effort to raise awareness and funds to help find a cure for breast cancer, the chosen design will also be sold throughout the entire region with all proceeds going to the American Cancer Society, "Making Strides". This disease has had such a profound effect on so many of our loved ones and we want to do all that we can to help in efforts to cure breast cancer.

If any of your leadership, or membership has any questions, please have them reach out to Shunte' Sanders-Beasley, of my staff, at ssanders@uaw.net or (586) 427-9200.

Please share this information with your entire membership. All are welcome to submit a design!

In solidarity,

LaShawn English, Director
UAW Region 1
