

Congratulations

Locals 1700, 889 & 412 at SHAP!

Congratulations to UAW Locals 1700, 889 and 412 at Sterling Heights Assembly Plant who were recognized at their work site today for winning the J.D. Power Highest Initial Quality award.

This is the 1st time ever for a truck-only brand to win #1 overall Initial Quality, according to J.D. Power.

We would like to recognize all UAW Locals that contribute to the success of the products, without your contributions, these awards would not be possible.
