Dear Brothers and Sisters of Local 1264

Good News!

The company has informed the Leadership that there will not be any more additional indefinite layoffs (previously scheduled to begin the week of July 18, 2022). Your Leadership was successful in stopping this layoff, but we will continue to have inverse layoffs until further notice.

Q and A

How many Members are currently laid off Indefinitely and how were they affected?

Between March 25, 2022 - July 8, 2022. We had a total of 193 members laid off indefinitely (80 Skilled Trades and 113 Non-Skilled). As of today, we have a total of 80 members still indefinitely laid off (48 skilled/32 nonskilled).

- 26 Skilled Trades members went back to work in production.
- 6 Skilled Trades went back to work at other locations in their respectable trades.
- 69 Non-Skilled members are working at Mopar
- 12 Non-Skilled members are working at Toledo assembly. (Voluntarily & received Relocation Allowance)

What's going on at our plant? (Sterling Stamping Plant)

We currently have 6 press lines going down; 4 will be idled, and 2 will be inoperable.

- Lines 17, 20, 21 and D Prog will be idled for 1 year. That work will be redistributed throughout the Press room. Note: Line 17 will start idling 9/1/22
- Lines 11, and 15 are not coming back up, but the leadership is working on getting 2 new presses to replace them.

What work is coming to our Facility?

- Sterling Stamping received a total of 27 jobs from Warren Stamping, and 3 jobs from Magna, all insourced to SSP

The Company has informed the Leadership that S.S.P. is not sold and there have been no discussions with Leadership about a sale of S.S.P.
