

ATTENTION LOCAL 1264 MEMBERS

I would like to start off by taking this time to reflect on all the friendships and support I have had here at Sterling Stamping. I still remember my first day coming through the turnstiles at SSP, not knowing what the future held. Looking back today, I realize that I have been blessed in more ways than I could ever have imagined.

The friendships that I have made along the way with all members, will last a lifetime. The support I've gotten from the membership over the past 28 plus years, will never be forgotten. There are truly no words I can say that could express the gratitude and thankfulness I have for each and every member here at Sterling Stamping.

I have thoroughly enjoyed serving you these past 18 years, and look forward to serving you in the years to come. To my supporters, I thank you from the bottom of my heart. Your support has meant everything to me. To all members, your energy and demand for change, has me determined more than ever to bring about the changes you want to see implemented at the next stop on my journey as your New Region 1 Assistant Director Under the Leadership of Director English in serving this Great Membership of the UAW

In Solidarity,

Raymond Pecoraro
