

Midwestern Dental closed their doors indefinitely effective May 29th

Midwestern Dental has closed their doors indefinitely as of May 29th.

Effective June 1, 2020, all members who are currently enrolled in Midwestern will be defaulted to the Delta Dental Plan and will have the option to enroll in one of the other DMOs (Aetna or United Concordia). Affected members will need to call Benefit Connect by June 30th to make a change. If no elections are made, affected members will remain in Delta and the regular rolling enrollment rules will apply.

If affected members would like to remain in the Delta Dental Plan, no further action will be needed on the member's part beyond June 1, 2020. Aetna and United Concordia are accepting new patients and since the members are generally in SE Michigan.

FCA is sending out letters to the affected members in hopes the letters will be received by the first of next week or earlier.
