Strike Duty Instructions

(In the event of a strike)

Although the UAW and FCA have signed an indefinite contract extension that can be terminated by either party in 3 days of written notice, UAW Local 412 is prepared.

In the event of a strike, our website will be updated with a schedule as soon as we receive a date, time, and location from the International UAW. Check the schedule, using your CID, to determine what group you're in. Your group will tell you what shift you've been assigned to and the location.

All members in good standing and on the active payroll must participate in the strike in order to be eligible for strike assistance and medical benefits. You must sign in and out with your picket captain to receive strike benefits. If you receive COBRA documents in the mail, Do Not Mail Them! You must bring them directly to UAW Local 412. It is your obligation to check the UAW Local 412 website for the time and date of your strike assignments, date to pick up your check, and date to sign up for medical benefits.

Please visit uaw412.org for updates and strike assistance FAQ's.

In Solidarity,

Timothy Edmunds, Financial Secretary
UAW Local 412
