It is necessary that you have an established email account (Gmail, Yahoo, Hotmail, etc.) prior to the sign-up process. This email is essential in registering for strike benefits. You, the member, are responsible for the accuracy of your information.

The following is a list of items needed to register for strike assistance benefits.

- Your legal name
- Address
- Telephone number
- Accessible email address
- Social Security number
- List of dependents and their following:
 - Social Security number, birth date, and insurance information
- Bank routing number
- Bank account number
- Insurance information
 - Life and health

Please remember to bring your cell phone or tablet with internet capability. If you have any questions regarding the new process, please reach out to your Auditor for assistance. The Secretary Treasurer's office is ready to assist and address any of your needs or concerns.

Thank you for your cooperation.

In solidarity,
