

# The Employee Purchase (EP) Program

The **Employee Purchase (EP) Program** registration window for 2021 is now open allowing you to make changes to your list of eligible family members.

Beginning **January 4 through February 1, 2021**, you can add, modify or remove any family members eligible for an EP vehicle discount on your registration list. [Click here](#) or go to [www.ea.chrysler.com](http://www.ea.chrysler.com) and select "**Register Eligible Family Members**" to make any changes.

**Your current registrations will automatically rollover. If you have already registered all of your family members, no action is required.**
