As most of our members are aware, on Wednesday, April 21, 2021 we had a sudden and tragic accident in the plant which resulted in a death. First and foremost, the UAW Leadership wants to send our prayers, condolences and comfort to the family and friends of our dear Brother Terry Garr. At this time, the accident is an active investigation and we are trying to get an understanding as to what happened. Once a full report is completed, the findings will be reported to the membership. In the meantime, please uplift his family in prayer and those who knew and loved Brother Terry Garr.
