

UAW Local 412 Veterans Committee

With UAW Region 1 Veterans Council

The Veterans Committee seeks members who are willing to represent the interest of all active and retired UAW Veterans and their families. This committee is dedicated to advocating for the political and social concerns of Veterans.

This is accomplished through leadership, guidance and education on matters of concern, such as: The men and women who came to the aid of our nation when they were called upon, are a valuable resource to the entire labor movement. If you want to build and enhance the dignity that all Veterans have earned by serving their country, the Veterans Committee encourages you to participate.
